RESEARCH METHODS WORKSHOP FOR HIGH SCHOOL STUDENTS

Friday, August 2, 2013
• 1:30 - 3:30 p.m., Interactive Learning Center, Room 201, Boise State Campus
• 4-6 p.m., Undergraduate Research Conference, Simplot Ballroom, Boise State Student Union

Learn and interact with Boise State researchers and scientists and like-minded students about student research. Explore scientific leadership concepts and skills. A special invitation for students to also attend the Undergraduate Research Conference from 4 p.m.-6 p.m. in the Simplot Ballroom, Student Union. This is your opportunity to see examples of current student research.

Registration Deadline: Friday, July 19, 2013
There is no cost to attend, but pre-registration is required. All materials will be provided.
To register for the workshop contact: Fabiola Juarez-Coca, Director, Concurrent Enrollment Program – (208) 426-2281 or Email: fjuarez@boisestate.edu

WHAT ARE THE BENEFITS OF RESEARCH?
WHAT CAN I DO RESEARCH ON?
HOW TO BE SUCCESSFUL IN RESEARCH?
HOW TO COMMUNICATE RESEARCH?

Workshop Sponsored by Boise State’s:
• Office of Undergraduate Studies
• Student Research Initiative Program
• Concurrent Enrollment Program
